Requesting that his pay may be fixed at £1,600/- per annum as in the case of his predecessors.

....

The terms of appointment of Mr. T.V.A.Isvaran as Trade Commr. are given in G.O. No.2424-7/C.B.143-34-2 dated 11th May 1935. His pay has been fixed at £1400/- per annum free of Income-tax.

2) His predecessors in office, viz. Messrs. C.Ranganath Rao Sahib (Septr.31 to Septr.35) and B.T.Kesava Iyengar (Novr.29 to Aug. 1931) were allowed to draw £1,600/- p.a. The fixing of the pay at £1,600/- in the case of Mr.B.T.K. Iyengar (the first Trade Commr.) seems to have been based on the recommendation made by Mr. N. Madhava Rao in his letter dated 2.8.1929 from England in the light of information gathered there about the salary of similar offices. The same pay was continued to Mr. C.Ranganatha Rao Sahib also. In the case of Mr. Isvaran, a pay of £1,400/- was offered and accepted by him.

3) The rank and pay in Mysore of the successive officers, during their employment in England as Trade Commr., is indicated below:-

	Rank & pay in Mysore.	Pay as T. in England

File No. of 193 General and Revenue Secretariat

The salary of Mr. Iswaran as Trade Commissioner was fixed by Government at £.1,400 per annum, with mutual consent, as against £.1,600 per annum allowed to his predecessors, apparently for the reason that his pay as Deputy Commissioner is only Rs.800, while his predecessors were drawing Rs.1,000 and 1,200 per mensem. There are no new facts or grounds justifying a change in the terms mutually agreed upon. In the present financial condition, avoidable increase in expenditure (particularly recurring expenditure) should not be permitted.

Final Note by the Second Member of Council.

Subject.—

Request of Mr. T.V.A. Iswaran, Trade Commissioner for Mysore in London, for enhancement of his pay.

I beg to invite gracious reference to Dewan's Submission Note dated the 7th February 1935 and His Highness' orders thereon approving of the appointment of Mr. T.V.A. Iswaran as Trade Commissioner for Mysore in London on certain terms. In accordance with this, Mr. Iswaran was allowed a pay of £1,400 per annum and he assumed charge of the office of Trade Commissioner on the 26th August 1935.

Mr. Iswaran has now represented that the cost of living in England has far exceeded his expectations and that he has heavy burdens to bear in order to discharge, in a fitting manner, the social obligations intimately associated with his office, and requests that his pay may be raised to £1,600 per annum which was the pay allowed to his predecessors in office.

Both his predecessors, Messrs. B.T. Kesaviengar and C.Ranganatha Rao Sahib were given a pay of £1,600 per annum. As Mr.Iswaran was a comparatively junior officer, a lower pay of £1,400 per annum was proposed in his case. The duties to be discharged by him are, however, no less onerous and in the circumstances mentioned by Mr. Iswaran, it appears to be desirable that he should be allowed the same pay as his predecessors.

The question was considered at a meeting of the Council held on the 13th instant when the following resolution was recorded:-

"His pay may be raised to £1,600 per annum from the date of the order".

The enhancement of pay will not have any retrospective effect, but will be given only from the date of issue of the order. The opinion of the Council may be graciously approved.

A.V. Ramanathan, Esq., B.A.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

I have the honour to invite reference to Government Order No. 2424-7/C.B.143-34-2 dated the 11th May, 1935, appointing me as Trade Commissioner for Mysore in London under certain terms, and to state that the pay of two of my predecessors was fixed at £1600. per annum, presumably on two fundamental considerations - firstly, of the high status and responsibilities of the office and secondly of the abnormal high cost of living in a place like London.

I may be permitted to suggest that there has been no diminution or curtailment in the responsibilities attached to my office since my assumption of charge, but, on the other hand, I venture to state that those responsibilities have been discharged under conditions no less exacting than those obtained in the previous years.

With regard to the second of the considerations, I wish to emphasize that the cost of living, besides being very high, has exceeded my original anticipations. I have found by experience that in the discharge of my social obligations, which

are in some way connected with my official position, I have necessarily to incur additional expenditure. Besides, my other expenses in connection with setting up a new home in London, have been heavy.

I request, therefore, that Government may be pleased to take into further consideration these circumstances and remove the existing financial inequality by fixing my pay at the same level at which it stood in the case of my predecessors.

I have the honour to be,
Sir,
Your most obedient Servant,

Trade Commissioner for

My dear Sir,

I have ventured to submit an application to Government praying for an enhancement of my salary to £1600. which was the pay which two of my predecessors were drawing.

I presume that Government were pleased to fix their pay on two main considerations - firstly, of status and responsibilities and secondly, of the high cost of living in a place like London. I submit, for your kind consideration, that there has been no abatement either in the volume of degree of responsibilities since my assumption of charge, but that, on the other hand, I have felt that those varied responsibilities have had to be discharged under very exacting conditions.

With regard to the second matter, I beg to say that the cost of living, besides being high as usual, has far exceeded my expectations and I have had additional burdens to bear in order to fittingly discharge my social obligations which are intimately associated with the office I am privileged to hold.

Sir Mirza M. Ismail. 27th December, 1935.

I beg, therefore, that in view of all these circumstances, my pay may be fixed at the rate granted to my predecessors so as to remove the financial inequality under which I am at present placed.

I may be permitted to apologise to you for having brought forward a request of a purely personal character in this letter.

With respects,

Yours sincerely,

Dear Mr Ramanathan,

I am anxious to know how my request for the enhancement my salary has been received and I shall feel obliged if you can let me know at the earliest opportunity the result of my application. This is a costly place to live in & one who has not been here will hardly be able to realise and appreciate what the word costly really imports when it is applied to London life. I do hope that the reasonableness of my request will be conceded and that I will be allowed the same privileges as others had in the past.

Have been getting on well and though
we are in the middle of winter, yet
we have not had the worst of which
is yet to come.
I am expecting my son here tomorrow
and it is just as well that he should have
an English degree.
Hoping you are well with the members of
your family to all of whom I ask you to
kindly tender our best regards.

Yours sincerely
